24" Multiple Plate No. 525

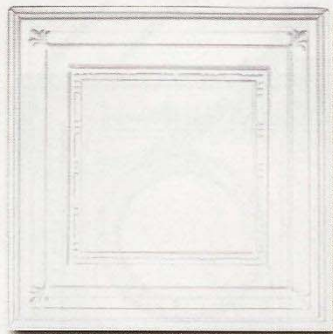

Designs Available In: 2' x 4' (Lay-In & Nail-Up) : 2' x 2' (Lay-in & Nail-Up)

All Patterns can be perforated for acoustical purposes
Cone Head Nails are available in all Finishes.

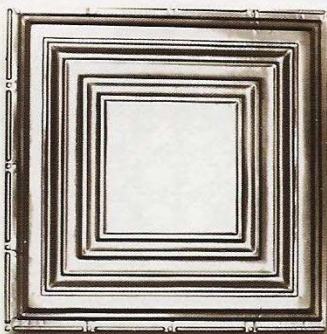

STEEL panels come UNFINISHED, and need to be treated with an OIL-BASED paint. For best results use a semi-gloss or high-gloss paint to prevent rusting or tarnishing.

To leave STEEL panels in natural state, use clear gloss enamel.
Copper, Chrome, and Brass Finishes also available.

Accessories and Special Options

A NEW DIMENSION IN CEILINGS:

3/8 REVEAL 2 X 2 metal lay-in panels offer a versatile, easy to install ceiling system. The **3/8 REVEAL** edge provides a dynamic 3-D perspective, dropping the panel below the grid.

3/8 REVEAL PANELS

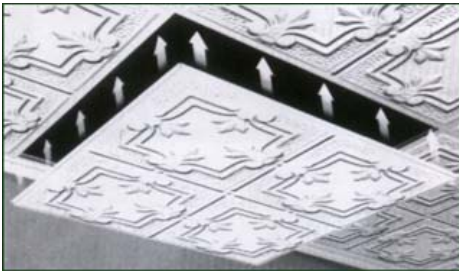

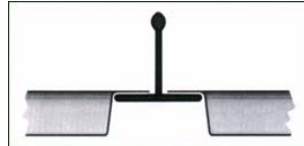

Technical Specifications:

3/8 REVEAL Fits Conventional Ceiling Grids (15/16" T-bar suspension system)

Overall Dimension: 23 3/4" x 23 3/4"

Face Dimensions: 22 7/8" x 22 7/8"

Panel Designs Available: 209, 234, 321, 503

If you choose to install your ceiling yourself, we can supply you all the necessary tools and accessories needed. We are also happy to offer you technical and installation help.
